

# Certificate

**ecm Zertifizierungsgesellschaft  
für Medizinprodukte in Europa mbH,**  
Talbotstraße 21, 52068 Aachen, Germany

hereby declares that an examination of the undermentioned quality assurance system has been carried out following the requirements of DIN EN ISO 13485:2016.

Through an audit performed on behalf of

**Fuhrmann GmbH**  
Bövingen 139, 53804 Much, Germany

it could be demonstrated that a quality management system

according to **DIN EN ISO 13485:2016**  
"Medical devices – Quality management systems –  
Requirements for regulatory purposes"

for **manufacture and distribution of sterile and non-sterile medical devices: wound care products, surgical sets, instruments, devices and kits for the hospital ward and medical practice**

**Subcontract assembly and packaging of medical devices, Cleaning, assembly and packaging of medical devices for terminal sterilization**

has been established and implemented.

This certificate is only valid under the conditions stated in the audit report mentioned hereafter and in the assessment letter dated 16 March 2023.

Any substantial changes of the quality assurance have to be notified to ecm and are subject to a separate assessment.
