

 **Fuhrmann**[®] Smart and flexible solutions!

Solutions for Industry Partners

We are your trusted MedTech partner for sub-contract packaging, co-branding, and kit-packing

Benefit from our customized industry solutions:

- + Sub-contract packaging
- + Co-branding
- + Kit-packing
- + Development for medical procedure packs

Leverage our expertise

Fuhrmann GmbH is a medium-sized manufacturer of medical devices based in Much near Cologne, Germany. The company was founded in 1978 and is now in its second generation of family ownership. At three locations in Germany and the Czech Republic, with more than 170 employees we achieved a turnover of 28.4 million euros (as of 2023).

Production

- + Sub-contract manufacturing & set assembly according to customer requirements
- + Wide range of validated packaging options (e.g., thermoformed packaging or pre-fabricated sterile pouches)
- + Packaging, cleaning & sterilization (ethylene oxide or saturated steam) of products

Project Management

- + Project management & control
- + Coordination of all customer requirements
- + Application for a PZN (identification number for pharmaceutical products in Germany) if needed
- + Create MDR compliant labels for your products

Your advantages at a glance

Over 25 years of experience in set/kit-packing	Reliable supplier network in Germany, Europe, and the Far East	Cleanroom class 8
MDR certified	German medium-sized business, 100% family owned	Highest delivery reliability through own procurement and production in Europe
Packaging and production expertise	Regulatory competence through own quality management & regulatory affairs	Control and management of customer projects

Procurement/Logistics

- + Logistics, warehousing, and shipping of items (including safety stock as per customer requirements)
- + Worldwide procurement management of products and packaging worldwide
- + Sterilization management
- + Extensive network, competitive pricing, strong supply chain

Quality management

- + Fuhrmann as a manufacturer or procedure pack producer assumes regulatory responsibility
- + Quality management: process and production monitoring
- + Cleaning, sterilization and transport validation

Achieve more together. Your success is our goal.

Your satisfaction is our top priority, which is why we are dedicated to responding to your needs personally, reliably and with care. Based on your specific requirements, we will create a customized package of terms and services just for you.

Feel free to contact us. We look forward to your inquiry!

A robust supply chain is essential in today's fast-paced world. By partnering with a trusted EU-based manufacturer, you can ensure the security of your supply chain with direct access to our production sites. This collaboration allows us to leverage our flexible manufacturing and logistics capabilities, as well as our extensive 1,500 m² of cleanroom space (ISO Class 8).
